You may be able to find out more about this and a little bit of similar content piano.io stress can actually be a good thing. Indeed, the body and brain have normal responses to everyday stress which allows us to handle daily challenges. such as waking up to an alarm clock in the morning, getting stuck in traffic, or coming home to a birthday surprise. Stress helps us how saves can also give you a proper awareness of when you are at risk. It's essential for its survival as a human being, says Jennifer Haythe, Md., a cardiologist and codirectory of the Center for Women's Cardiovascular Health in New York City. That healthy alertness depends in part on the body's fight or flight response: When something stressful happens, stress hormones like cortisol course through your body, Dr. Haythe says. , amping up your energy and enabling you to, say, get a loved one out of a burning car before you've seen that you're injuring yourself. Gupta says when stress becomes Unhealthy, or when you find that you are constantly having an outsize reaction to small stresses, that when stress can be less than beneficial, and can affect your emotions, cognition, and physical health in a negative way. Stress can also contribute to serious illness down the line, be it heart disease, reduce immunity, or alter the brain. But while it's impossible to completely banish stress, every single one of us can learn to counter strategies that help manage its impact. Whether it's listening to soothing music, dabbing your favorite cool essential oils on your pulse points before bed, or closing your eyes, getting your head out and having a sensory experience, it's possible to put stress aside when you need to. Here you need to know how to calm your nervous system, keep stressful events in perspective and continue to feel good, whatever life throws its way. Get those pens, markers, and colorful pencils ready! And if you don't have any, go right out and get something. The adult coloring book craze is here, and you'll definitely want to over it. Remember how you felt when you were coloring as a child? It was quiet; This allowed you to experiment with colors and color combinations. As an adult, you can now do the same. When you have an intensive project Emphasis is given. When you're Between a boring project and need a break. When you need to calm yourself in to be ready for bed. When you just need a cool twist, your coloring book is there. It's great healing, it's fun, and it gets its creative juices going. There are many adult coloring books that have hit Amazon's top 20 list. A publisher has, in fact, sold more than 3 million since the beginning of 2015. Here are 7 of the most creative coloring books for adults, so sharpen those colorful pencils! 1 | ColoringNoteBookKanlingNotebook is the new kid on the block in the world of adult coloring books. This is a new startup now hand-sewn, built-in command notebook with incredible coloring pages to take pre-orders. The hardback cover is made of Japanese paper and covered in soft leather and you can choose empty, dotted or lined paper for jotting the notes. This happy combo of a coloring book and notebook will bring hours of fun and mental relaxation! Pre-order price: \$19.95 Regular price: \$25.952. Yellow Bird Indie Rock Coloring Bouquet if you have not visited the Yellow Bird website. The site is dedicated to supporting indie rock musicians - individuals and bands - mainly by advertising T-shirt sales musicians and designed by great painters. Now, Yellow Bird has created both a coloring book and a color poster book, including some great designs from its painters. The poster book is unique, whether each poster is removable to prepare (or not). If you're in indie rock and/or music in general, you'll love these designs and it'll be a lot of fun to add your personal touch by choosing your own palette of colors for each design. The story of yellow bird is inspiring in itself. Two college grads decided to set up a site to promote indie rock

musicians and support an array of charities at the same time. As painters design T-shirts, and now support both color and poster books, sales site owners and musicians. As well, each sale results in a donation to a charity of the musician's choice. Indie Rock Coloring Book: 32 Pages - \$10.00Indie Rock Poster Coloring Book: 30 Removable Posters - \$25.003. Outside the lines are 256 pages of paintings by true contemporary masters of Coloring BookHere cartooning, graphics, music, photography, street artistry, and animation. Gathered by author Souris Hony-Porretta, a blogger about art and culture. The Lines holds 256 pages of just unprecedented paintings, patterns, designs, cartoon characters outside the coloring book, and more that will inspire your creative juices as you choose just the right color. What a great book to keep in the office, just for those times when you need a break from a very intense or boring project, or when everything is just getting to you. Or what a great way to wind down before going to the evening A lot can be said for art therapy for children. Now you have your own art therapy without costing a doctor. Amazon price \$12.404. Sneaker Coloring Book have you ever shopped for tennis shoes and just didn't get what you wanted? Have you ever just wished you could design your own tennis shoe? Well, here's the next best thing! The Sneaker Coloring Book has 100 pages of every style and type of tennis shoe from every major manufacturer since 1916 – all ready for you to color, adapt and design. And who knows? If you really come up with something good, you can also submit it to a manufacturer for consideration. Each shoe is on its page, with a side view, for full design. You in-lpsided designers and artists shine with this 216-page book. Retailer Price: \$19.95 5. The art of nature color bookcontemporary interior design is now reinventing the form of nature in both color schemes and wall decoration. Perhaps our environment values scenes from nature inspired by a growing concern for people, both in traditional form (scenery and still life floral designs), photography, and in new more contemporary depictions of both land and water animal life. It has probably inspired Adams Media to create the art of the book coloring the nature of 60 drawings for the adult artist in you. Each can be done according to your color suggestions or according to their own creative nature. Many of them would create a great wall group together- they are simple, natural, and certainly versatile, just like nature. One of the best examples of pictures can be found on the book cover itself (shown above). Amazing detail! Retailer Price: \$11.456. Big Fashion Bucminge Kong is a South Korean fashion designer who has published several books of inspirational fashion designs. If you're always passionate about fashion and like the idea of creating your own color palette for clothing, accessories, makeup, and so forth, Big Fashion Book is a must for you! To color pages and pages, who else knows? You might just be inspired to create some of your own design. You know that the fashionista in you is dying to get your hands on this great adult coloring book! Retailer Price: \$16.00. 7. Thrill Murray who doesn't love Bill Murray? What an actor/comedian legend! Some of the greatest comedies of all time (Groundhog Day, Caddyshack, Lost in Translation, Life Aquatic). Thrill Murray is a stunning coloring book for yourself and as a gift to all of his Bill Murray fan friends. More than 20 painters collaborated to make these 20 paintings of Murray directly from the films for which he is most known. If you don't feel very creative, that's fine as well. As you can see by a sample page from the book - one half is colored by painters, the other half for black and white. You can either imitate the colorful image or be creative and turn Bill Murray into what you want him to be! Retailer Price: £5 (aprox. \$7.68) Amazon Price: \$12.89Featured Photo Mariana Spiratakis via flickr.com flickr.com
